<p> I strongly believe in the above quotes. And this is Shalini Mittal, one who is going to be your coach,
your friend, for the next few months. Of course before we begin would you like to know me? I am
interesting, funny, silly at times,but I promise you will enjoy the learning path. Remember if you don't
ask, I have lots of questions for you. Thats the reason I call myself "THE CURIOUS GEORGE". And I would
love to call my participants "THE CURIOUS GEORGE" TOO.
So are we all IN? Are we all SET?
GET SET READY, to know a bit more about me!!!
